The State may unilaterally, and in its sole discretion, increase the Not-To-Exceed Amount for an item. After notification by the Contractor, if the State fails to increase the Not-To-Exceed Amount for an item, the Contractor shall have no obligation to perform with regard to the item under this Contract after the payments reach the Not-To-Exceed Amount for the item..

Contract Manager. If the Contractor submits an invoice for reimbursement of its expenses as authorized under this Contract, the invoice is a "proper invoice" under this paragraph 4.5 only if the invoice includes complete copies of the invoices for which it is seeking reimbursement. - 4.7 As provided within the RFP, the Contractor may submit a schedule of revised rates to adjust the services rates then in effect under the Contract. Any such adjustment shall be based upon conditions described in Section 1.4 of the RFP.
- 4.8 Unless otherwise provided in the Contract, the Contractor shall make all payments owed to the Agency within 30 days after receipt by the Contractor of a correct invoice. If the Contractor fails to make payment to the Agency within 45 days after the Contractor receives a correct invoice, the Contractor shall pay the Agency interest for that portion of the unpaid balance prorated for the period beginning with the 31st day after the Contractor receives a correct invoice from the Agency and ending when the Agency receives the payment. The Agency shall separately invoice the Contractor for any interest due. The rate of interest shall be the same rate as that specified in Section 11-107(a) of the Courts and Judicial Proceedings Article, Annotated Code of Maryland, during the time that the interest is accruing.
- 4.9 Payment of an invoice by the Agency is not evidence that services were rendered as required under this Contract.
- 4.10 The Agency is not responsible for bills incurred or paid by the Contractor for processing fees, indirect or direct costs, or overhead costs related to bills paid or incurred by the Contractor, other than those fees or costs which the Contractor has

included in its price stated in ATTACHMENT F to its Financial Proposal or for which the Contractor is authorized to submit an invoice for reimbursement under this Contract.

- 4.11 In the event that any monies due the Contractor are not sufficient to satisfy all claims against the Contractor, the Agency may invoice the Contractor for all additional amounts due. In the event the Contractor fails to pay the amount owed within 30 days, the Agency, in addition to any other remedies, may deduct the amounts due from any monies due the Contractor during any renewal term of the Contract or under any other contract between the parties.
- 4.12 The Contractor shall obtain reimbursements, credits, reductions, refunds, rebates and gifts, including insurance and government payments ("third party payments"), for services rendered to inmates, when such are available.

Such instructions may include, within the sole discretion of the Agency, the remission to the Agency of the third party payment.
 - 4.12.2.1 Because third party payments are the property of the Agency; the Contractor's obligations under this SUB ARTICLE 4.12 shall survive the expiration of the Contract.
 - 4.12.3 At the end of each quarter of each year of the Contract, the Contractor shall submit a report to the Agency detailing all third party payments.

5. Rights to Records

- 5.1 The Contractor agrees that all documents and materials including, but not limited to, software, reports, drawings, studies, specifications, estimates, tests, maps, photographs, designs, graphics, mechanical, artwork, computations and data prepared by the Contractor solely for purposes of this Contract shall be the sole property of the Department and shall be available to the Department at any time. The Department shall have the right to use the same without restriction and without compensation to the Contractor other than that specifically provided by this Contract.

- 5.3 The Contractor agrees that at all times during the term of this Contract and thereafter, works created as a deliverable under this Contract, and services performed under this Contract shall be "works made for hire" as that term is interpreted under U.S. copyright law. To the extent that any products created as a deliverable under this Contract are not "works made for hire" for the Department, the Contractor hereby relinquishes, transfers, and assigns to the State all of its rights, title, and interest (including all intellectual property rights) to all such products created under this Contract, and will cooperate reasonably with the State in effectuating and registering any necessary assignments.
- 5.4 The Contractor shall report to the Procurement Officer, promptly and in written detail, each notice or claim of copyright infringement received by the Contractor with respect to all data delivered under this agreement.
- 5.5 The Contractor shall not affix any restrictive markings upon any data and if such markings are affixed, the Department shall have the right at any time to modify, remove, obliterate, or ignore such warnings.

- 6.1 If the Contractor furnishes any design, device, material, process, or other item ("Product") that is covered by a patent or copyright, or which is proprietary to or a trade secret of another, the Contractor shall obtain the necessary permission or license to permit the State to use such item or items.
- 6.2 The Contractor will defend or settle, at its own expense, any claim or suit against the State alleging that any Product infringes any patent, trademark, copyright, or trade secret. If a third party claims that a Product infringes that party's patent or copyright, the Contractor will defend the Department against that claim at Contractor's expense and will pay all damages, costs and attorney fees that a Court finally awards, provided the Department (i) promptly notifies the Contractor in writing of the claim; and (ii) allows Contractor to control and cooperates with Contractor in, the defense and any related settlement negotiations. The obligations of this paragraph are in addition to those stated in paragraph 6.3 below.
- 6.3 If any Product becomes, or in the Contractor's opinion is likely to become, the subject of a claim of infringement, the Contractor will, at its option and expense: a) procure for the State the right to continue using the Product, b) replace the Product with a non-infringing product substantially complying with the item's specifications, or c) modify the Product so that it becomes non-infringing and performs in a substantially similar manner to the original Product.

7. Confidentiality

Subject to the Maryland Public Information Act and any other applicable laws, all confidential or proprietary information and documentation relating to either party (including without limitation, any information or data stored within the Contractor's computer systems) shall be held in absolute confidence by the other party. Each party shall, however, be permitted to disclose relevant confidential information to its officers, agents and employees to the extent that such disclosure is necessary for the performance of their duties under this Contract, provided that the data may be collected, used, disclosed, stored and disseminated only as provided by and consistent with the law. The provisions of this section shall not apply to information that (a) is lawfully in the public domain; (b) has been independently developed by the other party without violation of this Contract; (c) was already in the possession of such party, (d) was supplied to such party by a third party lawfully in possession thereof and legally permitted to further disclose the information or (e) such party is required to disclose by law.

8. Loss of Data

In the event of loss of any State data or records held or maintained by the Contractor in the performance of services, where such loss is due to the intentional act, omission or negligence of the Contractor or any of its subcontractors or agents, the Contractor shall be responsible for recreating such lost data, in the manner and on the schedule set by the Procurement Officer. The Contractor shall ensure that all data is backed up, and is recoverable by the Contractor.

- 9.1 The Contractor shall indemnify the State and the State's employees against liability for any suits, actions, or claims of any character arising from or relating to the performance of the Contractor or its subcontractors under this Contract.
 - 9.1.1 This shall not be construed to mean that the Contractor shall indemnify the State or the State's employees against liability for any suits, actions, or claims of any character that are directly the result of acts or omissions in the performance of the State or of the State's employees. Each party shall bear sole responsibility for any liability for any suits, actions, or claims of any character to the extent that such are directly caused by their acts or omissions to the extent provided under Maryland law.

- 9.2 The State of Maryland has no obligation to provide legal counsel or defense to the Contractor or its subcontractors in the event that a suit, claim or action of any character is brought by any person not party to this Contract against the Contractor or its subcontractors as a result of or relating to the Contractor's performance under this Contract.
- 9.3 The State has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its subcontractors as a result of or relating to the Contractor's performance under this Contract.
- 9.4 The Contractor shall immediately notify the Procurement Officer of any claim or suit made or filed against the Contractor or its subcontractors regarding any matter resulting from, or relating to, the Contractor's obligations under the Contract, and will cooperate, assist and consult with the State in the defense or investigation of any claim, suit, or action made or filed against the State as a result of, or relating to, the Contractor's performance under this Contract.

10. Non-Hiring of Employees

No official or employee of the State of Maryland, as defined under State Government Article, § 15-102, Annotated Code of Maryland, whose duties as such official or employee include matters relating to or affecting the subject matter of this Contract, shall, during the pendency and term of this contract and while serving as an official or employee of the State, become or be an employee of the Contractor or any entity that is a subcontractor on this Contract.

11. Disputes

This Contract shall be subject to the provisions of Title 15, Subtitle 2, of the State Finance and Procurement Article of the Annotated Code of Maryland, as from time to time amended, and COMAR 21.10 (Administrative and Civil Remedies). Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer's decision. Unless a lesser period is provided by applicable statute, regulation, or the Contract, the Contractor must file a written notice of claim with the Procurement Officer within 30 days after the basis for the claim is known or should have been known, whichever is earlier. Contemporaneously with or within 30 days of the filing of a notice of claim, but no later than the date of final payment under the Contract, the Contractor must submit to the Procurement Officer its written claim containing the information specified in COMAR 21.10.04.02.

12. Maryland Law

- 12.1 This Contract shall be construed, interpreted, and enforced according to the laws of the State of Maryland.

13. Nondiscrimination in Employment

The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, or disability of a qualified individual with a disability; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

14. Contingent Fee Prohibition

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the Contractor to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, partnership, corporation or other entity, other than a bona fide employee or agent, any fee or other consideration contingent on the making of this Agreement.

15. Non-Availability of Funding

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State of Maryland from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

16. Termination for Cause

If the Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. The State of Maryland shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of

termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the termination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

17. Termination for Convenience

The performance of work under this Contract may be terminated by the State in accordance with this clause in whole, or from time to time in part, whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; provided, however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12 (A)(2).

18. Vendor Transition

If the Agency awards a contract to another vendor to perform services presently being performed by the Contractor under the Contract, the Contractor shall cooperate with the Agency and the new vendor in facilitating the transition as the Agency directs, including providing the new vendor with a copy of all the current policies, procedures and work plans applicable to the institutions covered by the Contract.

19. Delays and Extensions of Time

The Contractor agrees to perform this Agreement continuously and diligently. No charges or claims for damages shall be made by the Contractor for any delays or hindrances, regardless of cause, in the performance of services under this Contract. Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.

20. Suspension of Work

The State unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

21. Pre-Existing Regulations

In accordance with the provisions of Section 11-206 of the State Finance and Procurement Article, Annotated Code of Maryland, as from time to time amended, the regulations set forth in Title 21 of the Code of Maryland Regulations (COMAR 21) in effect on the date of execution of this Contract are applicable to this Contract.

22. Financial Disclosure

The Contractor shall comply with the provisions of Section 13-221 of the State Finance and Procurement Article of the Annotated Code of Maryland, which requires that every business that enters into contracts, leases, or other agreements with the State of Maryland or its agencies during a calendar year under which the business is to receive in the aggregate, \$100,000 or more, shall, within 30 days of the time when the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of the State of Maryland certain specified information to include disclosure of beneficial ownership of the business.

23. Political Contribution Disclosure

The Contractor shall comply with Election Law Article, §§14-101 – 14-108, Annotated Code of Maryland, which requires that every person that enters into contracts, leases, or other agreements with the State, a county, or an incorporated municipality, or their agencies, during a calendar year in which the person receives in the aggregate \$100,000 or more, shall, file with the State Board of Elections a statement disclosing contributions in excess of \$500 made during the reporting period to a candidate for elective office in any primary or general election. The statement shall be filed with the State Board of Elections: (1) before a purchase or execution of a lease or contract by the State, a county, an incorporated municipality, or their agencies, and shall cover the preceding two calendar years; and (2) if the contribution is made after the execution of a lease or contract, then twice a year, throughout the contract term, on: (a) February 5, to cover the 6-month period ending January 31; and (b) August 5, to cover the 6-month period ending July 31.

24. Retention of Records

The Contractor shall retain and maintain all records and documents in any way relating to this Contract for five years after final payment by the State under this Contract or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the Procurement Officer or the Procurement Officer's designee, at all reasonable times. All records related in any way to the Contract are to be retained for the entire time provided under this section.

25. Compliance with Laws

The Contractor hereby represents and warrants that:

- 25.1 It is qualified to do business in the State of Maryland and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- 25.2 It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- 25.3 It shall comply with all federal, State and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and,
- 25.4 It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

26. Costs and Price Certification

- 26.1 By submitting cost or price information, the Contractor certifies to the best of its knowledge that the information submitted is accurate, complete, and current as of the date of its bid or offer.
- 26.2 The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of its bid or offer, was inaccurate, incomplete, or not current.

27. Subcontracting; Assignment

- 27.1 The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the prior written approval of the Department, nor may the Contractor assign this Contract or any of its rights or obligations hereunder, without the prior written approval of the Department. Any such

subcontract or assignment shall include such terms of this Contract as the State deems necessary to protect its interests. The State shall not be responsible for the fulfillment of the Contractor's obligations to the subcontractors.

- 27.2 The Contractor shall not write into any subcontract or negotiate with any subcontractor for a requirement that would in any way limit the subcontractor's flexibility to compete with the Contractor or to negotiate with a competitor of the Contractor for any future contract with the State.

28. Administrative
